1156 WINDSOR GATE LEG TABLE

This elegant dining room table is ideal for use in a smaller room or compact space, it offers flexible and convenient dining options and takes up only a small space when closed. Extended by lifting either one or both of the drop leaves, it seats two people when half open and four comfortably with both flaps open. The smooth curves and leg detail combined with the solid ash table top reflect craftsmanship and design that is characteristically ercol. The Windsor gate let dining table is available in a selection of lacquer colours.
