

## 3840 WINDSOR SMALL BOOKCASE

This versatile bookcase offers two adjustable wooden shelves for storing books and the like. The small proportions of this Windsor bookcase make it the perfect storage solution for a small room or a compact space, ideal for your living room, study or home office. The beauty of the grain in the wood is accentuated by the lacquer which is applied. It will be finished in your choice from a variety of lacquer colours that both protects the timber, whilst enabling you to choose the look to match your style and decor. This bookcase should be fixed to the wall for stability. Fixtures and fittings are provided for this.
