

1138 PENN CLASSIC DINING CHAIR

The Penn dining chair is a beautifully proportioned chair designed to be comfortable when sat on over a long enjoyable meal. The Penn dining chair complements the ercol Windsor range with its steam bent back rail, uprights and slightly angled legs. The linear lists on the back of this dining chair are an evolution of the traditional turned spindles on the Windsor chairs. It can be finished in your choice of lacquer colours that both protects the timber, whilst enabling you to choose the look to match your style and decor. It is available in a choice of fabrics and leathers from the ercol dining collection.
