

0467 WINDSOR ANNIVERSARY CABINET

First launched in 1962 the 467 Windsor sideboard was designed by ercol's founder Lucian Ercolani as part of the successful Windsor range. It is intrinsically ercol with purity of design, clean lines, dovetail joints, sculpted handles and turned legs all crafted from solid ash. We are delighted to be re-issuing this cabinet to celebrate ercol's 100th Anniversary. The 2020 Windsor cabinet handcrafted in our Princes Risborough factory, will reflect the design of the original 1962 version stained in our current selection of contemporary finishes. Handcrafted in our Princes Risborough factory, this iconic piece of British design is launched to mark ercol's Centenary.
