

0433 KENSWORTH NEST COFFEE TABLE

The ercol Kensworth coffee nest of tables is a modern, convenient pair of tables, sitting at right angles to each other, the two tables offer a variety of options. This nest of tables also features the traditional wedged tenon jointed legs which add crafted interest to the table tops, this elegant set has many of the classic ercol signature features of smooth flowing curves and shaped tapering legs. Finished in a contemporary combination of a vintage stain and black displaying the smooth clean lines of the pieces. Crafted from solid ash by skilled crafts people in ercol's Buckinghamshire factory.
