

3822 WINDSOR 3 DOOR HIGH SIDEBOARD

Functional and elegant this ash sideboard creates a real focal point in any room. Three cupboards with adjustable shelves provide extensive and flexible storage. There are three drawers which provide ample storage space for smaller items. Wooden sculpted handles in oval recesses that echo the shape of the handles, on both the cupboard fronts and the drawers, are a signature of the Windsor range. In a lovely design detail, the handles twist to open the doors. This ash storage unit will be finished in your choice from a variety of lacquer colours that both protects the timber, whilst enabling you to choose the look to match your style and dcor. This sideboard can be coupled with the Windsor display top (3852) for a complete storage and display unit (3822H).
