

## 2647 ROMANA 2 DOOR SIDEBOARD

This oak sideboard has two separate storage cupboards providing plenty of storage space. The front edge of the sideboard top bears the signature soft curve, and the legs have the fluid organic curves and chamfers, that characterise Romana. The cupboard sections each have a wooden shelf mounted on pins and can be adjusted in height. The door hinges have soft-close mechanisms to give a gentle shut. This lovely piece of oak furniture is finished in a clear matt lacquer to show the beauty of the natural timber.
