2681 TERAMO KINGSIZE BED

This Teramo king size bed will be the focus of your bedroom, with its decorative and distinctive headboard and its characteristically tapered turned legs. Attractive and comfortable, this king size bed uses pre-sprung wooden slats for extra comfort and a smooth top rail, echoing the type of chair construction for which ercol is well known. The clear matt lacquer finish protects the timber and shows off the beauty of the oak. This is a large product and in order to fit it into your home, it comes packed flat and requires assembly.
