

# 4084G LUGO DINING ARMCHAIR

ercol Furniture is proud to partner with Grown in Britain (GiB) and is now making the Lugo chair in Certified-British homegrown timber for sale in retailers across the UK. A thoroughly modern collection, Lugo takes its inspiration from mid-century Nordic design, with beauty, simplicity and functionality at the core of this collection. The Lugo armchair is a reflection of this design style, with slim tapered legs and a soft curved back this very comfortable solid ash dining chair really is a statement occasional piece. The Lugo armchair sits perfectly with the Lugo dining table in DK or it can be sat with any of our Ash dining tables as it is available in a selection of finishes and paint colours. You can choose your seat cushion fabric from any within the ercol collection fabrics to suit your home.
