1364 BOSCO 6 DRAWER TALL CHEST

This Bosco tall chest of drawers provides plenty of useful storage with its six deep drawers whilst only having a small foot print so taking up less valuable space. It is available in pale oak with a clear matt lacquer. As with the rest of the range it features the signature curved finger joint on the top corners of the chest and finger joint details on all the drawer fronts. A curved recessed drawer handle is both wonderfully tactile and simply elegant.
