

2680 TERAMO DOUBLE BED

The Teramo double bed will transform your bedroom and provide a restful nights sleep with its pre-sprung wooden slats that create a comfortable base. The turned spindles on the headboard create a decorative but natural feel, in keeping with the classic shaker style. This oak bed is finished in a clear matt lacquer to protect the timber and to show off the beauty of the wood. This is a large product and in order to fit it into your home, it comes packed flat and requires assembly.
