

4188 MONZA DOUBLE WARDROBE

The Monza double wardrobe is a contemporary update of a classic design. The alternating grain direction of the chevron pattern creates a stunning feature on the robe doors. This sits on 4 drawers which are on wooden runners and have a turned wooden handle. The cupboard section contains a single wooden hanging rail across the top and the drawers have a fixed wooden separator in the centre of each drawer. The elegant undercut detail framing the doors and drawers finishes off this eye catching bedroom wardrobe.
