

2098P BRONTE RECLINER CHAIR

The Bronte chair offers exceptional comfort, featuring a supportive back and gently sloping arms. The classic ercol H-frame legs in solid ash, elegantly encases the chairs upholstery. This Cloud Zero® recliner creates a feeling of weightless comfort at the touch of a button. The headrest and footrest can be adjusted independently, allowing you to find your perfect position with ease. When you're ready to return to an upright position, simply press the home button. The chair includes USB and USB-C ports allowing you to easily charge any device. The back cushions are detailed with buttonless tufting to help maintain their shape and minimise creasing over time.
