

4667 BAR STOOL 75CM

The Bar Stool was originally custom-built as seating for the ercol team of designers when sketching in the factory. A classic characteristic of traditional Windsor craftsmanship, the Bar Stool features tapered, outward-facing legs and a moulded ash seat that accentuates the stool’s agile build. Additionally, the Bar Stool boasts the iconic Windsor wedge & tenon joint. Manufactured in solid ash, the Bar Stool is offered in a selection of ercol finishes. ercol Furniture is proud to partner with the Forest Stewardship Council® (FSC®) and is now making the Bar stool 75cm in FSC®-certified ash timber for sale in retailers across the UK.
