D x 16
E x 16
F x 1

2. After assembling the legs, please take care (this table is heavy) with the aid of another person carefully lift the table and turn it over. Taking care not to turn the table over on two legs as this may cause damage.

3. Unclip the table catches as shown below before grasping the corners of one side of the table and pulling outwards. Then lift and fold out the extension leaf from the table, making sure the holes of the leaf align with the pins of the table top. Then push it back together and secure using the two metal clips underneath the table.

Do the reverse to store the leaf.

Note the extension leaf should be stored FACE UP on the frame underneath the table.
