

5069 TENON NEST OF TABLES

The Tenon nest of tables have a geometric feel about them, with oval out turned legs that feature the tenon joint. The tables slot neatly under each other, with the top table being square and the bottom table being rectangular, making them perfect for saving space within your room. Crafted from solid oak and oak veneers, the nest of tables is finished in dead matt to protect the solid oak while still allowing the natural grain to be shown.
