

4940 BALLARD CHAIR

The Ballard chair brings a modern feel to your room with unique shaped ski arched legs which taper out in line with the angle of the arms, offering a more generous cushion depth. The foam seat cushions are wrapped with memory foam to offer added comfort. They can be upholstered in your choice of fabrics from the Universal or Casa collections. The chair comes with one scatter cushion. The solid ash legs are available in a vintage, oak on ash or a dark finish.
