People need

Pre-assembly preparation

Please ensure instructions are read in full before attempting to assemble this product

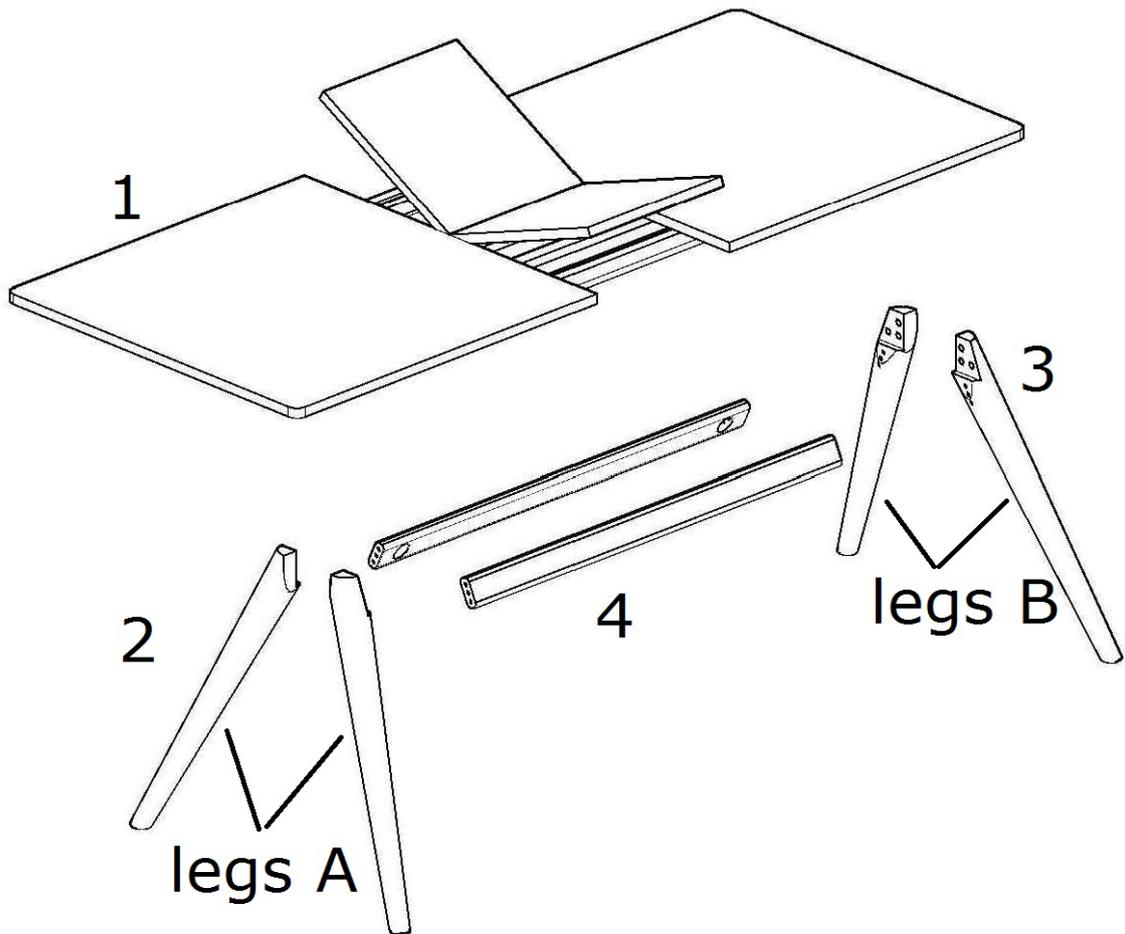

Please check the pack contents before attempting to assemble this product. A full checklist of components is given in this leaflet. If any components are missing, please contact the retailer from whom you bought this product.

This product is **HEAVY**, it should be assembled as near as possible to the point of use. **TAKE CARE WHEN LIFTING** to avoid personal injury and (or) damage to the product.

This product takes approximately **30 MINUTES** to assemble with **2 PEOPLE**.

The fittings pack contains **SMALL ITEMS** which should be **KEPT AWAY FROM YOUNG CHILDREN**.

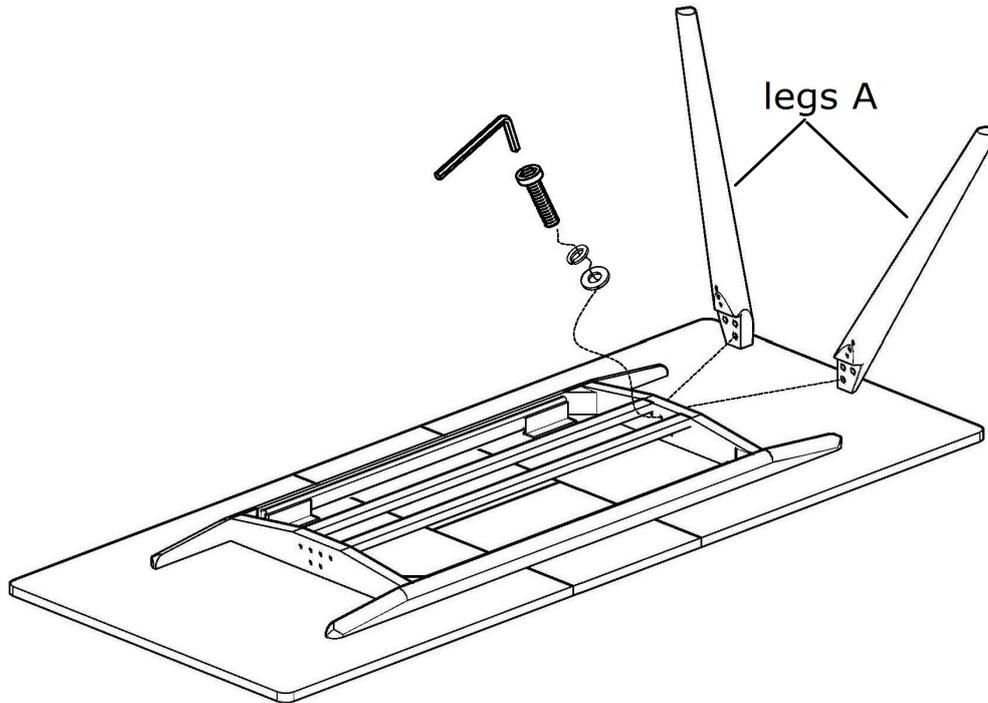

1	Table top	6	Washers x 12	
2	Legs (A) x 2	7	Nut x 4	
3	Legs (B) x 2	8	Allen key x 1 Spanner x 1	
4	Support rail x 2	9	Dowel x 4	
5	Allen bolt x 12	10	Bolt x 4	

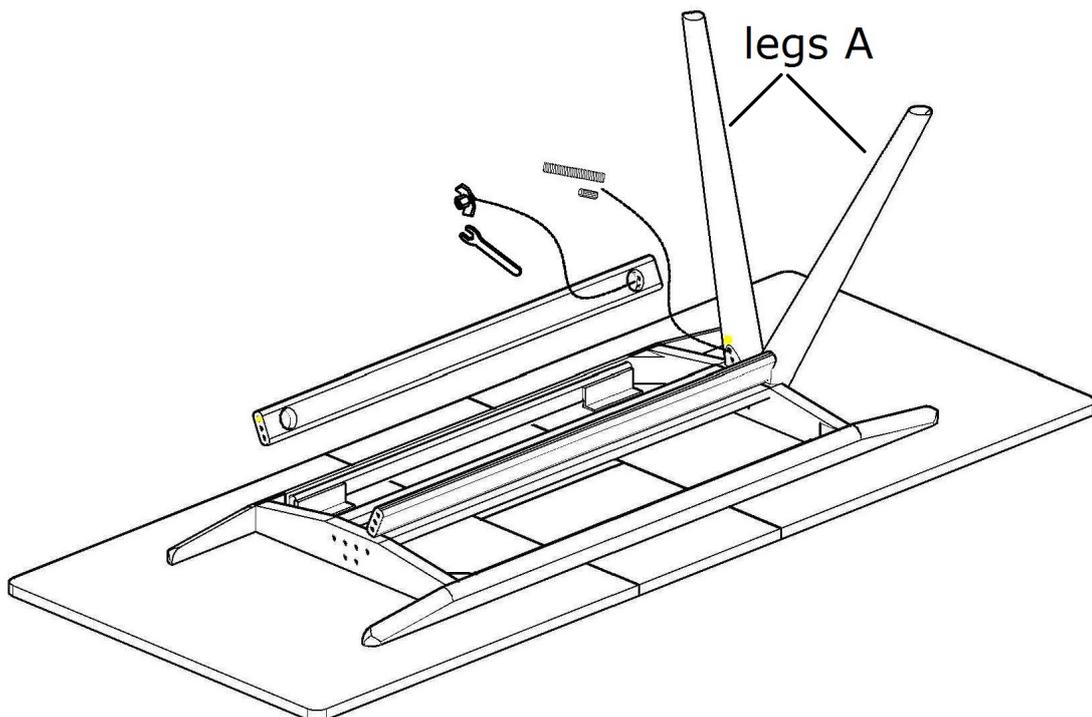

Step by step assembly instructions

1. With the help of another person, lay the table top face down on to a soft surface such as carpet or a blanket which is free from sharp objects. Position the legs into the end of the table as shown below and tighten gently with the washers.

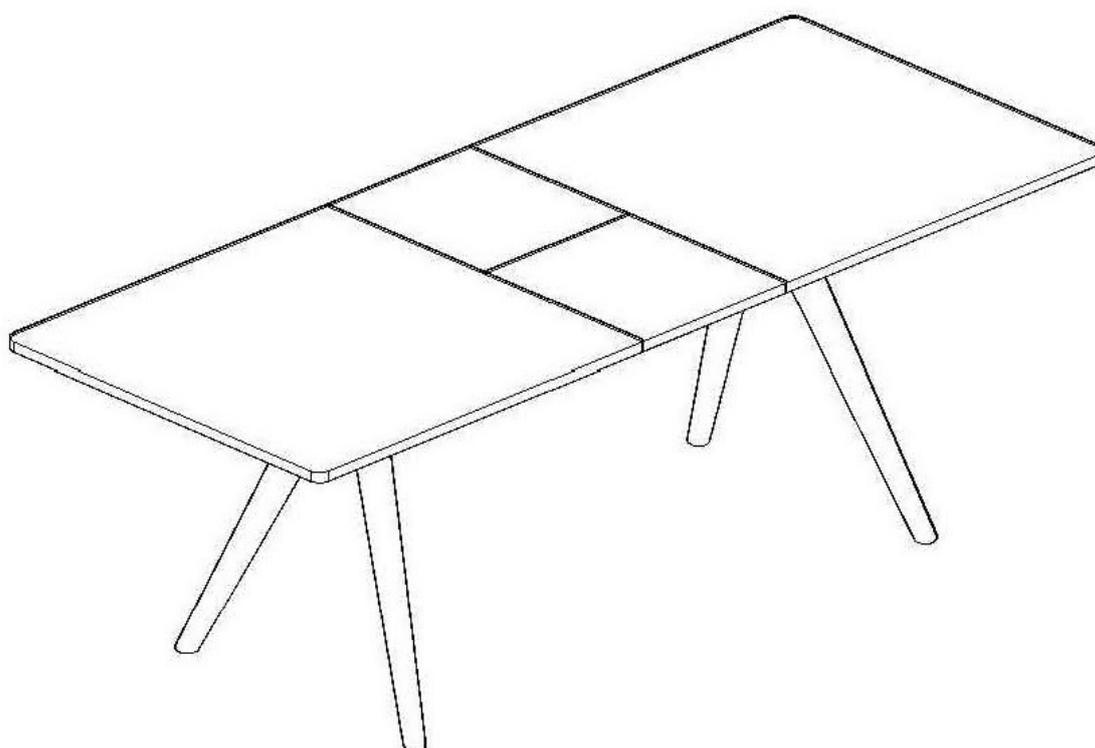

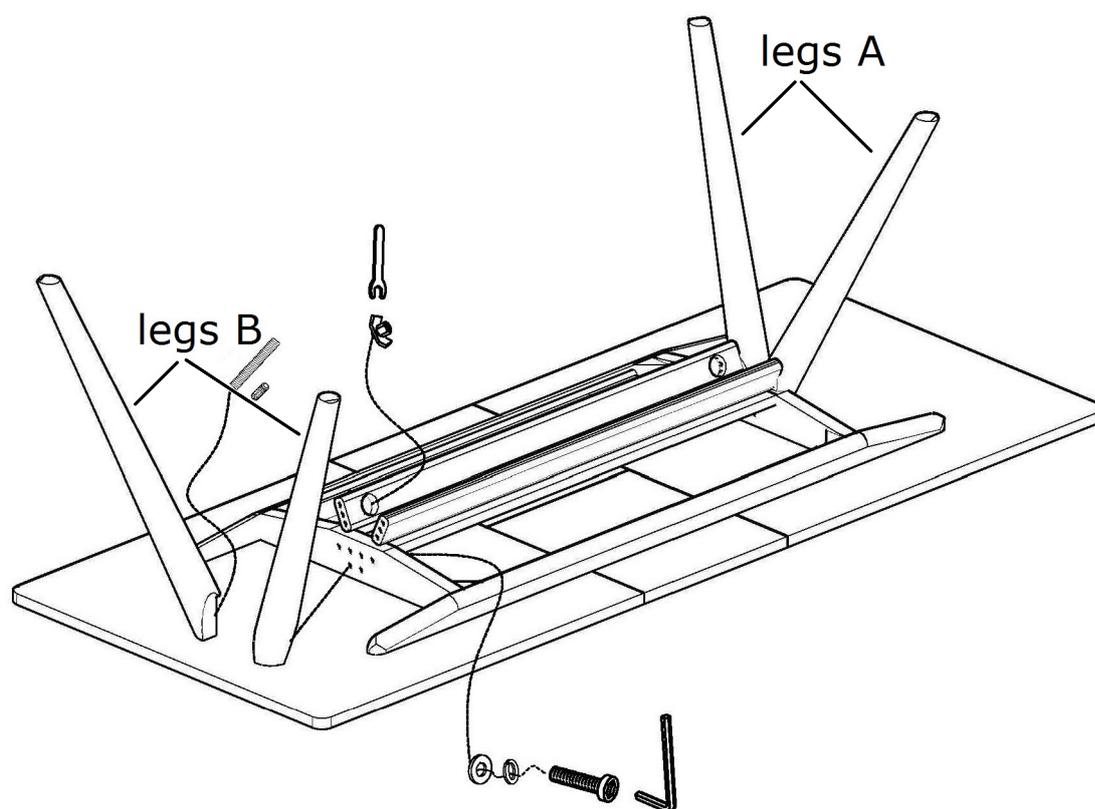

Attention: Ensure Legs 'A' both match and are fitted onto the table skirt which is marked 'A'. Ensure Legs 'B' both match and are fitted on the table skirt which is marked 'B'.

2. Insert the bolts and dowels provided into the legs and position the support rails into the legs as shown below and tighten gently with the nut and spanner.

3. Assemble the support rails onto the legs B and please not tighten the half moon washer and nuts. Then position the legs B into the end of the table (skirt B) as shown below and tighten gently with the washers. Finally tighten all nuts and bolts and assembly is complete.
